Attention 11 and 12 Students

At the end of the school year, final grade 11 and 12 marks are provided to the Ontario College Application Centre and the Ontario University Application Centre for those students who are graduating and have applied to either College or University.

In a regular school year, students can withdraw from a grade 11 or 12 course no more than five instructional days after the first report card is issued in a semestered school. For the 2019-20 school year, this date has been changed to May 6, 2020.

Grade 11 or 12 students wishing to remove a course from the schedule will need to contact Ms. Salidas or Mr. Moggy prior to May 6, 2020 and students under the age of 18 will require signed consent from their parents.
