**RE: OUTBREAK OVER AT SUDBURY SECONDARY SCHOOL**

Dear Parents/Guardians:

Today at 2:16 pm, Public Health Sudbury & Districts declared the outbreak at Sudbury Secondary School officially over.

Individuals who were directed by Public Health to remain in isolation must continue to do so. The declaration of this outbreak as over does not supersede specific individual instructions provided by Public Health Sudbury & Districts to students, parents, guardians, staff or essential visitors.

On behalf of the school and the board, I would like to thank you for following Public Health guidance on self-isolation and testing. We appreciate your patience and understanding as we work together to keep everyone safe.

**Please continue to follow all health and safety protocols at all times.**

• Remember to screen for COVID-19 daily. Continue to use the **COVID-19 Screening Tool for Children in School and Child Care** <https://covid-19.ontario.ca/school-screening/> to monitor for symptoms and follow the direction provided. **Anyone who is sick must stay home.**

Remember to follow the critical ongoing COVID-19 prevention measures:

- Wash your hands often with soap and water or alcohol-based hand sanitizer.
- Sneeze and cough into your sleeve.
- Avoid touching your eyes, nose, or mouth.
- Stay home and [isolate](#) if symptoms appear.
- Practise two-metre physical distancing.
- **Wear a mask** at all times in indoor public spaces.

When outdoors, students are encouraged to maintain physical distancing.

As always, we will monitor our school population closely for any signs of COVID-19, remain vigilant, and follow the guidance from Public Health. If you have any questions regarding COVID-19 or the measures taken to address COVID-19, please visit [www.phsd.ca/COVID-19](https://www.phsd.ca/COVID-19) or contact Public Health Sudbury & Districts at 705.522.9200 ext. 524.

Thank you for your ongoing support.

Sincerely,

Bruce Bourget  
Director of Education
