Dear Parents/Guardians:

Sudbury Secondary School was safely evacuated before the start of classes this morning as police investigated a potential threat to the school.

Shortly after 10:15 a.m., students and staff were permitted to re-enter the school when police confirmed that it was safe to do so.

Police determined that the threat was not credible.

The Greater Sudbury Police Service and Rainbow District School Board take these matters very seriously.

Officers continue to investigate in order to determine the origin of the threat.

We would like to thank students and staff for their exemplary behaviour throughout the evacuation.

Health and safety is always first and foremost.

Sincerely

David Bertrim
Principal
