Dear Parents/Guardians:

Students who are learning remotely can reintegrate into face-to-face instruction on February 8, 2021 when we begin the second semester. Conversely, students who are learning in person can change to remote learning.

The next opportunity to transfer will be April 20, 2021.

Please complete the form at the following link to confirm if you will remain in person or online, or transfer from one to the other.

The change will occur on February 8, 2021.

Please complete one form per student by January 22, 2021.

Please be advised that no changes will be considered after the deadline as we require time to re-organize classes in response to requests.

Please note: If you do not complete the form by the deadline, your child will remain as is.

Thank you.
