

Rainbow District School Board is currently seeking input on two important documents that will guide accommodation reviews – the revised Student Accommodation policy and the revised Community Planning and Facilities Partnerships administrative procedure. Both documents will be on the agenda at the School Council meeting on September 30, 5:30pm in the library. All parents/guardians are invited to attend. For more information on this opportunity to provide input, please visit rainbowschools.ca and click on the Boardroom section.

A draft of both documents is available on the Board's website at the following link:

<http://www.rainbowschools.ca/boardroom/inputaccrevcommpart.php>

The policy and administrative procedure are being updated to reflect new guidelines issued by the Ministry of Education in March 2015.

The Student Accommodation policy outlines the process and timelines for accommodation reviews that may be initiated when Board decisions require the consolidation, closure, or relocation of a program or school due to changes in program demands, student enrolment, community demographics, capital needs of the school, and other factors.

The Community Planning and Facilities Partnerships administrative procedure provides guidelines for consultation to share facilities with community partners when building new schools, undertaking significant additions and/or renovations, or considering the use of underutilized space in schools.

Input is being received from School Councils and parents/guardians until Monday, November 9, 2015.

To share feedback, please email input@rainbowschools.ca.

Written submissions can be dropped off at any area Rainbow School or mailed to:
