Student Shadowing Permission Form

The purpose of student shadowing is to provide an opportunity for students who have expressed an interest in enrolling at Sudbury Secondary School to visit the school and experience a day of classes and activities. Shadow dates are only available to students who are contemplating attending SSS.

Students who shadow must agree to abide by our school and RDSB Code of Conduct during their visit. These individuals must also have Parent/Guardian permission PRIOR to the date of the shadow experience. Transportation arrangements are the responsibility of the Parent/Guardian.

Note: *Shadow experiences will occur on the first Friday of every month or otherwise arranged by Principal permission.*

Forms must be completed and submitted no later than the Friday before the shadow date.
